

School District Organization

School District Philosophy

The School District, in an active partnership with parents and community, will promote excellence in a caring environment in which all students learn and grow. This partnership shall empower all students to develop a strong self-esteem and to become responsible learners and decision-makers. The School District is committed to developing and using a visionary and innovative curriculum, a knowledgeable and dedicated staff, and sound fiscal and management practices.

It is the responsibility of the District to educate individuals in a nurturing, learning environment of students, staff, and community, so that upon graduation students will possess the self-esteem, knowledge, skills, and values necessary to accept social responsibility, to succeed in today's world and to meet tomorrow's expectations.
