Extracurricular and Co-Curricular Activities

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Non-school sponsored student groups are governed by School Board policy, 7:330, *Student Use of Buildings - Equal Access*.

Academic Criteria for Participation

Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must maintain an overall 1.5 grade point average. Any student-participant failing to meet these academic criteria shall be suspended from further participation in all school-sponsored and school-supported athletic and extracurricular activities until the specified academic criteria are met.

In order to participate in extra-curricular or co-curricular activities and field trips, students must also be in regular attendance at school. Students with seven absences or greater in a semester will be evaluated by administration and may be excluded from participation in these trips. Final determination of participation will be made by the administration.
