ESSAY COMPONENT OF APPLICATION

Edith Wharton once said "There are two ways of spreading light; to be the candle or the mirror that reflects it". As a teacher, a coach, a colleague, a scientist, and friend to many, Mr. Smith had an incomparable ability to be the light. He had an inner glow that came from his passion for his students, his athletes, and his family. In an essay no longer than one page, explain how you spread light in our own life and how your passions are demonstrated through your actions.

The winner of this scholarship will be invited to Honors Night on April 23, 2018.
