Wrestling has meets Wed and Sat, make sure have enough food including hot dogs. They also have a meet Dec 13 with 8 teams with each 14 boys.

Braves had a rep there – Keith Herman. They not run their own concessions. Keith is looking into having the same vendors as us. They have four games and one playoff. Maybe they could set up in the mini or do inventory after every game and use our product.

Rick Johnson wanted on the job training, which we did after the meeting. He also suggested we have outside groups work, FFA, Scholastic etc.

Dave will look at the concession profit margin.

Ann asked if we would be interested in having a paid concession worker, they would make 10% of the profits.
