

# **Important Information Regarding Minooka Community High School Cafeteria Purchases**

(Minooka) – Minooka Community High School would like to inform families of an important change in practice regarding purchases in the cafeterias at both MCHS Central and South Campuses. Starting Tuesday, February 16, 2010, all hot entrée and menu item purchases will be available as MealTime purchases only (no cash). This practice is in addition to all “Big Meal Deal” purchases being designated for MealTime purchase only. Students will not be allowed to use cash in these lines. Snacks, beverages, and salads will still be available for purchase either with cash or a MealTime account.

Families are reminded that all MCHS students are assigned a MealTime account when they register as new students. Deposits can be made to these accounts in two ways: a deposit can be dropped off at either MCHS main office during regular office hours, or a deposit can be made online through [www.mymealtime.com](http://www.mymealtime.com). For more information about MealTime, please visit [www.mchs.net](http://www.mchs.net) and click on the “MealTime FAQ” link.

For more information, please call the MCHS Business Office at 815-467-2557.
